Appointments to city boards and commissions are made by the Mayor and confirmed by the City Council of Bondurant. Apply to join today at www.cityofbondurant.com.

The primary duties of the Board of Adjustment include reviewing variances from the terms of the City's zoning ordinance, reviewing conditional use permits, and conducting hearings on appeals of administrative interpretations pertaining to the City's zoning ordinance. Meets the second Tuesday of each month at 5 p.m. at City Hall.

LIBRARY BOARD OF TRUSTEES

The primary duties of the Board are to develop policies for the library including circulation of materials, library equipment, and use of the facility by individuals and groups; provide general direction to the Library Director concerning library functions and services. WELCOME TO BONDURANT, AN IOWA GREAT PLACE!

On behalf of the City Council and City employees, it is my pleasure to welcome you to Bondurant, an Iowa Great Place — a city at the crossroads of growth and opportunity. Bondurant is located along Highway 65 and offers a hometown feel that is close to Interstate 80 and in close proximity to the large-city amenities of Des Moines, yet distant enough to provide a more relaxed lifestyle.

I am proud to be your mayor and proud of a community with such active organizations and residents who collaborate well together. This collaboration and community spirit led to Bondurant being named as the Iowa 2022 Community of Character.

The city recently experienced another large valuation growth last year, enabling your elected officials to lower the levy rate for the 17th year in a row. This upward trend has continued over the last several years and clearly demonstrates Bondurant's attractiveness to residents and business. As a primary destination we have convenient access to shopping, dining, entertainment, amusement parks, bike/walking trails, regional airport services and beautiful neighborhoods supported by excellent public safety services. We are thrilled to be home to so many locally-grown businesses, as well as to globally-recognized corporations.

Our City Council priorities focus on continually improving city services and promoting viable opportunities to meet the needs of a growing community while preserving its hometown charm. Those areas include supporting public education, infrastructure improvements, public safety, economic development, diverse residential growth, bikeways and open spaces. Our great city has so much to offer. From education to recreation, we believe there is something here for everyone and every business.

If you are looking for community events, festivals, and activities, you are in the right place. Our residents take great pride in Bondurant's uniqueness by offering a broad range of year-round civic and cultural events such as our annual Bondurant Summerfest, Bondu Spook-tacular, Battle of the Bands, Celebrate Bondurant, Taste of Bondurant, Bondu Blues & Brews, Bondurant Farmers Market, multiple Chichaqua Valley Trail biking events, and many other events.

Our beautiful parks and recreation facilities provide a remarkable quality of life for residents. In addition to softball and baseball fields, the Bondurant Regional Sports Complex now includes soccer fields. The City also offers miles of paved trails as well as fishing and canoeing opportunities. Lake Petocka is stocked with a variety of fish and you can enjoy picnic shelters and a paved walking path surrounding the Lake Petocka waterfront. The ponds in Eagle Park are also great places for fishing! The city also has parks and playground equipment located within residential neighborhoods. City Parks and Recreation Board volunteers are currently spearheading the master plan for Central Park and we look forward to creating a beautiful and functional park that will host many amenities including a large lake. Finally, the Library hosts activities continually and is currently expanding to meet the community's needs.

Additionally, over the last few years, the City has expanded the biking/walking trails connecting to the Chichaqua Valley Trail with additional trail connections to surrounding communities. A great place along the trail system is the Bondurant Trailhead Depot to rest or start your adventure. A southern trail connection from the Bondurant Trailhead along the Gay Lea Wilson trail will access the community Gateway

Park and the award-winning Porch Swing and Fireflies display. Soon the underpass at highway 65 connecting the Gay Lea Wilson trail to surrounding communities to the south will be finalized and opened.

Arts and cultural activities enhance the quality of life for our residents. In support of this effort, the Bondurant Community Foundation funded a public art display in Gateway Park and more recently an Art Mural on the Bondurant-Farrar Bus Barn showcased along the Chichaqua Valley Trail and an additional mural that faces City Park in the downtown area. There are several other affinity groups within Bondurant working on community projects and events which adds to the charm of our City.

Whether you already live in Bondurant or are moving here, I encourage you to continually explore the great quality of life we offer that is an ideal environment for families and businesses to flourish. The City Council and I are committed to collaborating with city organizations/boards, the school district, private businesses, affinity groups and the citizens of Bondurant to improve the overall quality of life and do so in a strategic, cost-effective manner.

Together we can help guide growth, meet the needs of the citizens, and keep Bondurant brimming with opportunity.

Bondurant Little League (BLL) is a part of District 3, which includes Marshalltown, Central Iowa, Ankeny and several other Little Leagues in the Des Moines area. BLL program serves kids from 3 to 12 years old, and divisions are based on the National Little League Age Chart. Visit the Bondurant Little League website to learn more.

BONDURANT SOCCER CLUB

The Bondurant Soccer Club (BSC) is a recreation club sponsored by the Iowa Soccer League. Programming exists at all age groups 5U-19U providing a place to play while supporting the game and creating a better environment through coach and parent education, as well as professional administration and leadership. Visit the Bondurant Soccer Club website to learn more.

BLUE JAY BASKETBALL CLUB

Includes players third through sixth grade, boys or girls. The focus of each division is to develop fundamentals, encourage sportsmanship, promote teamwork, and have fun! Learn more by visiting Blue Jay Basketball Club's Facebook page.

SHELTER RESERVATIONS

Park Shelters are available to reserve from April 1 – Oct. 31. Submit your shelter reservation request online at www.cityofbondurant.com. There are four shelter options:

- **City Park Shelter** at 203 Second St. S.E. The shelter includes six picnic tables, electrical outlets, restroom facilities, an outdoor grill and drinking fountain — all partially enclosed.
- **Lake Petocka Volleyball Shelter** at 520 Pleasant St. N.E. near the sand volleyball court is a simple wooden shelter that includes a grill, two picnic tables and electrical outlets.
- **Lake Petocka Men's Club Shelter** at 520 Pleasant St. N.E. nestled between the baseball fields and Lake Petocka includes two grills and two picnic tables. BRSC restrooms are available during baseball and softball season.
- **Lake Petocka South Shelter** at 520 Pleasant St. N.E. has fresh siding updated in 2019. The shelter includes four picnic tables, three grills, electrical outlets and public restrooms.

COMMUNITY EVENTS AND FESTIVALS

- **Bondu Blues and Brews Festival, July 15, 2023.** This is a family-friendly event at our iconic community park. Start the evening listening to some blues music while the homebrew competition judges taste test brews submitted from all over central-Iowa — family entertainment at no charge, maybe a smiling face. Showcased along the Chichaqua Valley Trail is art from the Sidewalk Chalk Art Competition earlier in the day. Participate in a people's choice vote on the art showcased by Bondurant natives. Enjoy food trucks and ice-cold treats.
- **Movies in the Park Fall Series, August - October.** Bondurant Regional Trailhead is located in the heart of Bondurant on Main Street. Enjoy a late-night flick at the trailhead this fall while munching on some popcorn. Bring the entire family, snuggle under the stars, bring a lawn chair or blanket and make some memories in the park.
- **Bondu Spooktacular, Oct. 21, 2023.** Departments, clubs and organizations collaborate each year to bring contests, games, candy and more! The 2022 Halloween Costume Contest is a way to get recognized! Bring the family dressed to impress. Kids have an opportunity to participate in a donut-eating contest which typically brings the laughter.
- **Merry and Bright Parade, Dec. 2, 2023.** Bondurant brings "Christmas Cheer for ALL to Hear" during this magical holiday parade. This is a family-friendly, kids-appropriate parade to kick off the holiday season for you, your family, and friends. This is a night parade, and, due to darkness, this is a candy-free event. Bundle warm and enjoy the floats in the Downtown Bondurant District.
- **Annual Cribbage Tournament, Jan. 7, 2024.** This has been a long-time tradition in Bondurant since inception. If you have read the Bondurant Centennial, there are fun stories that have been told from the past. Registration is minimal, but the stakes are high. Bring your cribbage board and play with like-minded cribbage players.
- **Winter Chowder Ride, Feb. 10, 2024.** Just show up! Bring your bicycle, your winter gear, and look forward to a brisk winter bike ride on the Chichaqua Valley Trail. Stop at a few warming stations along the route which will include a warm bowl of chowder, homecooked chili and warm apple cider.

BONDURANT-FARRAR COMMUNITY SCHOOLS

Bondurant-Farrar is a high-achieving school district that takes pride in providing top-notch educational resources for students. We are proud of our tradition of excellence and are working hard to ensure an even better future. The size of the district allows students the individual attention needed to succeed while providing the advantages of a bigger school.

Our district serves more than 2,725 students from preschool through grade 12, and is projected to grow annually for the next several years. The campus on Garfield Street is 55 acres in size and home to two elementary schools, one intermediate school, and the district's transportation facility. The Grant Street campus is home to the high school, Bluejay Stadium, and the new junior high building which opened in August 2022.

The new junior high now serves Bondurant-Farrar students in grades seven through eight and helped relieve capacity challenges at three of the district's current schools through a grade reconfiguration. Funding for the new building was made possible by the community's overwhelming support of the district's 2020 bond referendum, which passed with 93.5% voter approval.

Technology is integrated into student learning at all levels. Students in first through twelfth grades enjoy 1:1 technology environments. At Morris Elementary, kindergarten's student to device ratio is 2:1 through the use of Chromebooks and iPads. Additionally, the district strives to incorporate science, technology, engineering, and math (STEM), as well as computer science in unique and innovative ways.

The district takes pride in providing a variety of clubs, activities, and athletic opportunities to students. Students throughout the district are active in the arts, and often earn statewide recognition for their efforts in band, speech, choir, and visual art. Our student-athletes are students first and excel both inside and outside of the classroom. Several clubs, such as our local FFA chapter, are available to students.

We feel fortunate for the many ways community groups, including booster clubs and parent-teacher organizations, provide year-round support for our students and staff. We consider ourselves lucky to have such generous and supportive partners in education. Go Bluejays!
